RBI launches Survey on Computer Software and Information Technology Enabled Services (ITES) Exports: 2021-22

The Reserve Bank has launched the 2021-22 round of its annual Survey on Computer Software and Information Technology Enabled Services (ITES) Exports.

The survey collects data on various aspects of computer services exports as well as exports of information technology enabled services (ITES) and business process outsourcing (BPO). The survey results are released in the public domain besides being used for compilation of balance of payments (BoP) statistics and other uses.

The survey schedule for the 2021-22 round is required to be filled in by all software and ITES/BPO exporting companies. The format of the ITES survey schedule has been updated for the current round. The soft form of this survey schedule (both in Hindi and English) is available on the RBI's website under the head 'Forms' (available under 'More Links' at the bottom of the home page) and sub-head 'Survey', which can be duly filled and submitted via email by **July 15, 2022**.

The instructions are provided in FAQs and, in case of any query or clarification, kindly contact:

The Director,
International Investment Position Division,
